# *Project Go to Bro*

# What is happening?

- We are moving from Go4schools to Bromcom.

- This is taking place on Monday 24th February – the first day back after February half term.

- Everything that you currently access on Go4schools you will access via Bromcom.

- It has the bonus of some other features that we will start to use once we've mastered the basics e.g. announcements, access to exam timetables etc.

# What do I need to do? In advance…

- **Before** 24<sup>th</sup> February, make sure that you:
  - Download a copy of any **reports** that you want to keep
  - Take a photo/screenshot of your **timetable** so that you know where to go on the first day back!
  - Are on top of your **homework** tasks.
  - Can get onto your **school email** account from home.

# What do I need to do? On the day...

- Activate your Bromcom account:
  - You will receive an invitation email and some instructions at around 8am on 24th February. **The link will only work for 24 hours.**
  - You can do this on a computer, tablet or phone.
  - Your **username** will be the **same as on the school network**.

- School will start at **9.30am** on Monday 24th February – go straight to Period 1 if you have a lesson.

- If you have not been able to get on to Bromcom, make sure that you seek support when you arrive at school.

# What will I see?

- Once you are into Bromcom, you will see your **dashboard**.

- You can personalise your dashboard by:
  - changing the colours;
  - moving the sections around to suit you;
  - adding bookmarks to websites that you regularly use for school e.g. Learning Portal.
